

ID **OVERHAUL Online Provisions**

10. GEN: Listed provisions are in consideration of your vehicle and load configuration but are not comprehensive. Permittee must comply with all applicable federal, state, and local laws and regulations governing Oversize and Overweight Vehicle Permits.
20. GEN: This permit shall be carried in the vehicle at the time of the move, and shall have the same available for inspection by any police officer.
30. GEN: This permit authorizes travel only on those state maintained roads and bridges over which the Department of Transportation has jurisdiction. If on other than state road, the applicant shall obtain permission from the selectmen, council, trustees or other appropriate officials with jurisdiction over the road.
40. OS: Wide loads shall use extreme right lane at all New Hampshire toll plaza locations.
105. RT: Round Trip return by reverse route permitted if completed within expiration date.
110. OS: Permit vehicles may travel on designated routes during daylight from 30 minutes prior to sunrise until 30 minutes after sunset.
115. GEN: No travel is allowed when road conditions, weather conditions, or visibility make traveling hazardous to the operator or to the driving public. Vehicles which are underway when inclement weather occurs must exit the road at the first available location and park in a safe place until the weather clears, or until the road conditions improve.
120. OS: Permit travel is authorized during approved hours on Monday through Friday. Permit travel is not authorized on Saturdays or Sundays or Holidays.
125. OW: No night-time travel is authorized except for envelope vehicles which are overweight only and capable of traveling with the normal traffic flow.
130. OW: The Permittee shall not supersede any lesser weight limit posted on a bridge or highway. Certified vehicles shall also adhere to certified vehicle bridge postings (E1, E2, C1, C2).
135. GEN: When traffic following a permit move has accumulated to 7 or more vehicles, the permit load and escorts shall yield the right-of-way for these vehicles to pass at the nearest, accessible, safe location.
140. OS: One escort vehicle required with OVERSIZE LOAD signs front and rear to precede the load on non-divided highways and follow the load on divided highways.
145. OS: Two escort vehicles required. One escort vehicle to proceed the load and one to follow with OVERSIZE LOAD signs due to excessive overhang and/or overwidth.
155. OS: One (1) State Police escort needed - 48 hour notice required. Call: 1-800-443-5268 or 1-603-271-6298.
165. ENG: Physical height survey required by Permittee identifying minimum clearance with all physical obstructions.
170. OS,OW: Engineering Inspection required.
180. OS: Signs for Oversized Loads. Two warning signs reading OVERSIZE LOAD shall be in evidence during all movements and placed on front and rear of haul vehicle and load. Warning signs shall be at least 7 feet long and 18" high with yellow background and black lettering. Letters should be at least 10 inches high with a 1.4 inch brush stroke. Vehicles and loads exceeding a 15'-0" front-end overhang should be required to display one sign with the wording OVERSIZE LOAD. This sign should be on the front of the vehicle. Vehicle and loads exceeding legal length or rear overhang should be required to display two signs with the wording OVERSIZE LOAD. One sign should be on the rear of the overlength or overhanging part of the load; however, if the sign cannot be attached or is not legible here, then the sign should be attached to the rear of the vehicle itself. Escort vehicles should display a sign reading OVERSIZE LOAD that is at least five feet long and 12 inches high with 10 inch high letters.
185. OS: Any motor vehicle having a load or vehicle component which extends beyond the sides more than 4 inches or more than 4 feet beyond the rear shall have the extremities of the load marked with a red flag, not less than 12 inches square.
345. OS: Two (2) State Police escorts needed - 48 hour notice required. Call: 1-800-443-5268 or 1-603-271-6298. In instances where movement requires road closure or closure of a portion thereof, 3 NH state police vehicles shall be provided as escorts.
520. SP: Construction Equipment: Off-the-road type earthmovers and haulers traveling on a permit shall carry no load except normal parts or accessories pertaining to the major item.
540. EM: Emergency move is defined as a calamity, existing or imminent caused by fire, flood, riot, windstorm, explosion, or act of God which requires immediate remedial action to protect property or life.
